"A Safe Branch from Which to Soar"

Friday 28th January 2022

Dear Parents,

Biking and Scootering Day – Week beginning 7th February 2022

During Autumn Term we had our first regular bike and scootering day. We have planned our next one for this half term, again each class will have a different day throughout the week to bring their bike or scooter.

The 'bring your bike or scooter to school' day this half term will begin the week starting Monday 7th January. Each class are welcome to bring their bikes or scooters to school on the following days and either at a point during the day or during our playtimes, we will have the opportunity to bike or scoot around the running track.

Monday 7 th January	Kidsty Pike
Tuesday 8 th January	Catbells
Wednesday 9 th January	Blencathra
Thursday 10 th January	Helvellyn

Please make sure your child's bike / scooter is in good working order and please make sure they bring a helmet. They must wear a helmet when riding on their bike or scooter. If there are any problems, school will be able to provide a bike or scooter for your child to borrow from Catbells or After School Club.

On your biking day, please leave your bike under the bike shelter when you arrive at school. We will then collect our bikes from the bike shelter when it is time to use them. Please bring your helmets into school and hang on your peg.

We are looking to hold a sport and exercise week during the Summer Term and are looking to raise money throughout the year to help with this. This is going to be our first fundraiser and we would like children to bring £1 donation to take part in the bike and scooter day. This donation will need to be given to the class teacher who will pass it on to School Council.

If you have any problems or questions, please let your child's class teacher know.

From
Billy and Mack
School Council
