Spring Term 2022

Winter Olympics and Extreme Environments

Project Ideas

<p>Find out how many sports there are in the Winter Olympics and the Paralympics. Display these as a list, in a word search or as a fact sheet.</p> 	<p>Create an equipment poster for an expedition to an extreme environment. Reasons why the equipment is needed is essential. Is it possible to carry all the equipment yourself?</p>	<p>What is your favourite wild animal? Find out about its feeding habits (food chain) living environment (habitat). Does your animal have any special adaptation features or survival skills?</p> 	<p>Can you investigate the size of different extreme environments? Sizes, areas, statistics, facts, heights? What about temperature differences.</p>
<p>Write a biography or diary entries for a fictional explorer and his/her expedition to an extreme environment. You may want to include illustrations.</p>	<p>Find Beijing on a world map or globe. Use the internet or information book to research all about Beijing, the host country. Use the information and facts to create a fact sheet or a PowerPoint about Beijing.</p> 	<p>Research an Olympic athlete that is competing at the Beijing Winter Olympics or the Paralympics. Create a fact sheet about the athlete. Tell us their name, date of birth, country they represent, what sport they compete in, have they competed at any previous Olympics, have they won any previous medals.</p>	<p>Try a new Chinese food or recipe. Could you use chopsticks to eat it? Write a review, would you recommend the food to others?</p> 
<p>Describe what it would look, feel and sound like to be an athlete at the Winter Olympics. Write a diary entry after you have competed in your Winter Olympic event, remember to use lots of</p>	<p>Visit the 2022 Beijing Winter Olympics website to learn about the mascot. Once you have learned about the mascot, get creative and make your own mascot. Remember to think</p>	<p>How many kilometres would you need to travel and how long would it take you to get to Beijing? Could you go even further and work out how much it would cost for you and your family to travel to Beijing</p>	<p>Create your own piece of artwork, link it to the Winter Olympics or an extreme environment. You could make a model, a painting, a collage or a sketch.</p>

description to build up the atmosphere for the reader.	carefully about the name and the features of your mascot, make sure you explain the reasons behind your design.	from Shap?	
<p>Please choose 2 projects to complete from the homework grid above.</p> <p>You should hand in your:</p> <ul style="list-style-type: none"> • first project on or before Monday 7th February 2022 • second project on or before Monday 28th March 2022 <p>You can hand your project in by returning it to school or by uploading photos, documents or videos to the homework assignment on Teams.</p> <p>Children will then time to share their homework in the class on or during the week commencing the hand in date. Children who complete their projects will be awarded by moving up the traffic lights a number of spaces; some house points and some children will go and see Mrs Chappell for a special reward.</p> <p>All projects will be displayed on our class page on the School website and on a display in the classroom or corridor in school.</p> <p>These projects give you a number of weeks to complete so please make sure you put a lot of effort and thought into your homework. You need to think about how you are going to present your work and make sure you do this to a high standard.</p> <p>If you need to borrow any resources from school to help with your projects, please ask and we will get them organised for you.</p> <p>Have fun, there should be something to capture all of your interests.</p> <p>Mrs Capstick and Mrs Idle</p>
