

'A Safe Branch from which to Soar'

Shap CE Primary School - School Council Minutes

Date: Wednesday 13th September 2023

Present: DH, LJ, TB, TG, MC, TW, DG, PG, BS, AH, ARB

Apologies:

Agenda:

1. Welcome and roles
2. Recycling

1. Mrs Capstick welcomed the new members. Unfortunately, the badges haven't arrived yet so these will be given out once they do. Mrs Capstick shared the roles of the Chair, Secretary and Treasurer. Children had a think about if they would like to be the one of the committee members. We then had a vote and it was decided that:

- Chairs - DH and TG
- Secretaries - TW and MC
- Treasurer - TB and LJ

We then started to talk about what we might like to do this year to improve our school or local area,

Action - children are going to go away and have a think about what charities they would like to support and what they might like to do to improve our school or local area.

2. Children all agreed the recycling using the new paper and plastic bins was going well since we came back to school in September. TG said they need labels to identify which is paper and which is plastic. He agreed to make these.

DG suggested making a label to go on the general bins to remind people to put their paper and plastic in the correct bins.

Action - TG and TB to make the posters which Mrs Capstick will print and laminate before they stick them on to the front of all of the bins.

Next meeting: Wednesday 20th September
