

'A Safe Branch from which to Soar'

Shap CE Primary School – School Council Minutes

Date: Monday 11th December 2023

Present: TW, MC, PG, DG, DH, AB, AH, LJ, BS, TG

Apologies:

Agenda:

1. Christmas Jumper Pass Down Week
2. School Lunches
3. Pen recycling

1. Did go as well as we thought. Quite a few jumpers left. Possibly take jumpers to charity shop or Mrs Capstick to sell on Vinted and then put the money into the School Council pot to buy a basketball net. PG - I think it should go on Vinted so we can have the money. DG - suggested letting parents know we still have some available. If they then don't sell put them on Vinted.

Action - VC to put on Vinted and then any money raised to be put into the School Council fund to buy a basketball hoop.

2. Shared Teresa's email. All children keep to improve our summer lunch menu. DH - liked the ideas of wraps, especially fish ones but like the chance to make their own wraps using the salad bar and possibly having a choice of fish, chicken or cheese wraps.

Everyone agrees that sweet potato fries would nice for a change.

AB - would like garlic and cheese pizzas.

LJ - make your own pizzas. TW - it has to cook so that wouldn't be possible.

TB - likes pepperoni DH - ham and mushroom MC - Meat feast PG - ham or chicken pizzas.

DH - liked the bubble gum ice cream but we don't have that anymore, what about different flavours. TW - sorbets MC - Pink custard DG - Blueberry muffins. TG -

Pancakes with your own toppings. Choc ices. TW - I like yoghurts more than fruit. A big yes for doughnuts, especially. DG - doughnut with jam in. MC - iced bun. VC

Action - VC to feedback ideas to Teresa.

3. Children thought this was a really good idea to help with recycling as we get lots of pens that have stopped working. DG suggested bringing ones from home as well. TW said to have a pot in every class for pens that don't work. We decided when Miss Heron was going to the shop in Penrith, Blencathra School Council members will go around the classes to collect the pens in.

Action - Feedback to classes about this. TW and MC to find tubs and to make a poster to go on them to say what they are for.

Next meeting:
