

SEND in my Subject Area - Languages (MFL)

Cognition and Learning		Communication and Interaction	
Subject Challenges for SEND	Provision for SEND	Subject Challenges for SEND	Provision for SEND
Age appropriate content for all children in the class	Language key words displayed which uses dual coding to support understanding. Appropriate use of subject materials such as video's, songs used to enhance understanding of different languages and cultures.	Children may struggle to communicate and say new words in the chosen language	Visual cues Visual words/ phrases Minimise background noise Child to face T to support lip reading Write new vocabulary down Dual coding Language Buddies Use of phonic skills such as Segmenting and Blending to support pronunciation.
Gaps in knowledge and understanding (Covid19)	Ensure previous terms learning objectives are revisited in language lessons		
Accessing learning due to poor literacy skills	Use of shorter / less complex sentences in resources given Writing frames where possible Dual coding on display	Language difficulties may make children unable to access learning a new language	Lots of reinforcement Lots of repetition Scaffold observational skills through careful questioning Use of simple instructions Step by step instructions Careful and appropriate modelling to support understanding Visual aids and dual coding Videos of examples and practise at an age appropriate level in the new language – using YouTube videos to support
Children may struggle to remember information/facts/previous learning	Lots of retrieval opportunities and reinforcement Clear differentiation Apply new vocab into lots of different contexts – pre-teaching vocab

Non Negotiables that need to be in place in all lessons/classrooms when teaching MFL

1. Adaptive teaching approaches including scaffolded resources
2. Dual coded displays and table resources
3. Multiple ways of presenting work that isn't just written or spoken
