

'A Safe Branch from which to Soar'

Shap CE Primary School - School Council Minutes

Date: Wednesday 28th February 2024

Present: TW, MC, PG, DG, DH, AB, AH, LJ, BS, TG

Apologies:

Agenda:

1. Pen Recycling
2. Comic Relief
3. Playtime Equipment
4. Summer Menu

1. DH - it is going quiet well in our class, the box is quite full. Most people remember to put their whiteboard pens in there when they run out. DG - when I was putting my pen in the box, there was a lot of other pens in there. Kidsty Pike are also recycling their pens. Miss Heron has emptied the tubs once and taken them to be recycled. Everyone agrees we should continue this and they would like to know what happens to the pens when they get recycled.

Action - Speak to Miss Heron to see what happens to the pens once she take them to be recycled and also see if there is anything else that we could recycle in school. SC to feedback to their classes that they can bring pens in from home to recycle as well.

2. Friday 15th March, day after World Book Day. DH - come to school in non-uniform but make it silly, for example: silly hair, silly socks, etc. for a donation. DG - children can still come to school in uniform, if they want to. TB - a joke competition. Set it as a homework for each child to come to school with a joke. Children will perform their jokes in the class and the best three in each class will perform in the 'Stand Up Comedy Show' during Celebration Worship.

Action - SC to tell classes about this. SC to write a letter to go home to parents. VC to find something that will measure the level of clapping and laughing after each joke to find the winner.

3. TB - money from the sale should all be added together and then buy something that everyone wants that can be used at playtime. All other members agreed. TG - it will depend what the children who have raised the money want.
Action - TB to speak to his class to see if they would be happy to do this and if so create a wish list, from the YPO and other catalogues. TB to ask Julie in the office, how much money there is.

4. Teresa has asked us to think about school lunches and the menu for the summer term. She would like to know what children like and would like to keep, what they don't like and anything they might like to add.
Action - SC to speak to their classes and create a list. MC will then take the list to Teresa and tell her all about it.

Next meeting:
