“A Safe Branch from Which to Soar”

To our Worship Leaders,

We have recently evaluated our Worship Time to help us to understand everyone’s thoughts about Worship Time.

We thought you might like to see the results?

- We asked: How much do you enjoy Worship Time? (1 star = not a lot, 5 stars = very much!)
The average score was 4.2, so that is good!
- We asked: What do you like most about Worship Time?
The answers included: Values, teaches us about God , stories, celebrating, singing, visitors, puppets and acting.
- We asked: What do you like least about Worship Time?
The answers included singing, sitting, not having jazzy songs, standing up, too much talking, end of the day rather than morning.
- We asked: Have you any good ideas to make Worship Time even better?
The answers included: Choose someone to blow out the candle, more quizzes, put flags up at end, someone do prayer at the end, stories in each worship, do some dancing, do some yoga

We hope you have found this interesting?

If you have any questions, please get in touch with us!
